

HOMESHARING COMES TO SEATTLE!

The **PNA Village** program has partnered with **Silvernest** to bring *Homesharing* to Seattle neighborhoods.

Come hear about how to participate as a home owner or home seeker. This event is open to everyone and the Silvernest program will be available city-wide.

HOMESHARING INFO SESSION

Saturday June 23, 9:30 - 11 AM

PNA Brick Building, Community Hall

6615 Dayton Ave N, 98103

or call 206-789-1217

Homesharing is...

When a home provider offers a room, ADU, or DADU to a home seeker in exchange for some form of financial exchange, assistance with household tasks, or simply companionship

Homesharing reduces housing expenses, creates affordable options for home seekers, increases security of both the home seeker and provider, and helps preserve the sense of community in the neighborhood
