

# Carina Overview

November 17, 2021 | [Carina.org](https://Carina.org)

# Who We Are

We are a nonprofit that believes communities are stronger when all people, regardless of income, can easily and safely access quality care and care providers receive good wages and steady work.

# Carina's Home Care Offerings

In-home care empowers individuals to live independently while receiving compassionate care and companionship in their homes, enhancing their ability to age in place.

Home care professionals can provide a range of services, including:

- Meal preparation and shopping
- Help with bathing and dressing
- Light housekeeping
- Transfers and transportation

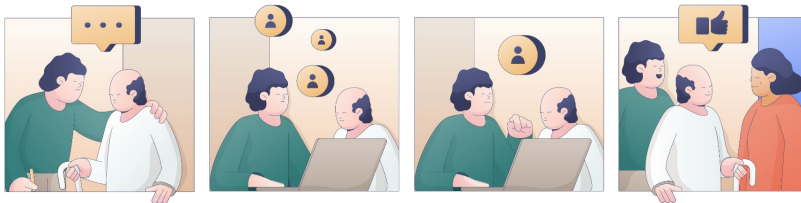

# Carina's Home Care Offerings

## Medicaid:

- Choose your care provider while working with your case manager
- Get direct access to a vetted pool of active, skilled, state-certified caregivers located in every county across WA
- Browse care providers and choose the one that is the best fit

## Private Pay:

- Enter your King County zip code and search for home care agencies with available providers near you
- Carina's partner not-for-profit agencies reach out to you to discuss your care needs and match you with a caregiver
- Caregivers are background checked, trained and receive good wages and union benefits

# Who Should be Referred to Carina?

- Seniors and adults with disabilities looking for home care
- Family members or friends of someone who needs home care
- Organizations seeking to refer a patient or client to caregiving services

# Find Home Care on Carina.org

Step 1: Carina.org and select Find Home Care
