

HOW WE GOT HERE

- Founded by 4 Eastside nonprofits in 1991
- Purchased transit-oriented strip mall in Redmond
- **First** of its kind in the nation
- Sustainable business model with revenue from below-market rents

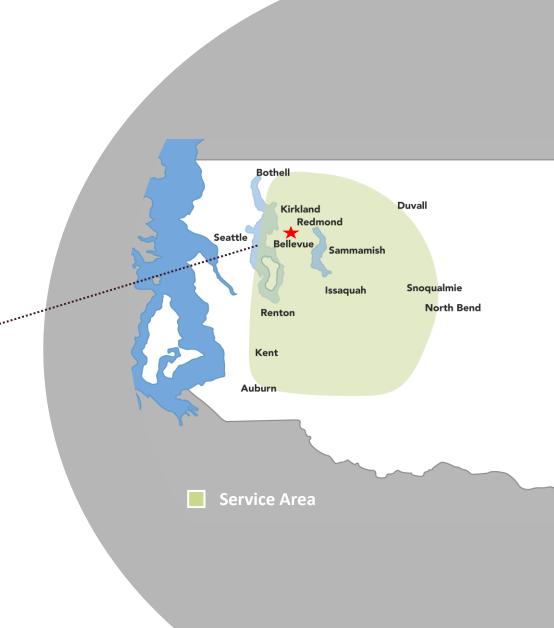

- A collaborative, co-located social services hub
- Over **20** human service providers on one campus serve **30,000**/year
- Stable, below-market lease rates mean nonprofit partners reinvest \$250,000-\$300,000 a
 year into serving more in need

ONE LOCATION, A SUITE OF SERVICES, FOR THE GREATER EASTSIDE

TOGETHER CENTER'S BOLD NEW VISION

New community asset delivers:

- ✓ **An Expanded Together Center** on the ground floor
- ✓ *Truly Affordable Housing* on the upper levels
- ✓ *Solving Community Needs <u>Now</u>* with construction underway, completed Spring 2023

- ✓ Innovative social purpose real estate project
- ✓ Community hub for whole-person health, human services and housing
- ✓ Transit-oriented development
- ✓ First of its kind and scale in the nation

EXPANDED TOGETHER CENTER

49,000 sq ft human services hub will feature:

- Community health and dental clinic
- Mental health, behavioral and substance abuse support
- Case management
- Support groups
- Therapies for children & families of diverse abilities
- Community resource and referral specialists

Plus, thoughtful features throughout:

- Teaching kitchen
- Social purpose co-working space
- Conference space to host nonprofit events, trainings & multicultural gatherings
- Community art gallery
- Pedestrian friendly campus with underground parking

With 25% more space:

• Our providers can serve <u>more</u> people in need of services, without the risk of nonprofit displacement

TRULY AFFORDABLE HOUSING

280 total units meeting diverse needs:

200 units of workforce housing

- 50-60% Area Median Income (AMI)
- Essential workers in our community

80 units of low-income housing

- 30-50% AMI
- Onsite, culturally-competent case management

62% family-focused units

- 2- or 3-bedroom for families & multi-generational households
- Regionally 85-90% of affordable units are studio or 1bedroom
